## Quick Start Installation Instructions

Before you begin installation of NNM, follow these steps:

- 1 Download and print the *HP Network Node Manager Installation Guide*. It is available at the following location:  
**<http://h20230.www2.hp.com/selfsolve/manuals>**
- 2 On the product media, go to the top-level or root directory to view the *HP Network Node Manager Release Notes*. The release notes are in the following file:  
`README.html`
- 3 Use the information in these documents to install the product.

## Support

You can visit the HP Software Support web site at:

**<http://www.hp.com/go/hpsoftwaresupport>**

HP Software online support provides an efficient way to access interactive technical support tools. As a valued support customer, you can benefit by using the support site to:

- Search for knowledge documents of interest
- Submit and track support cases and enhancement requests
- Download software patches
- Manage HP support contracts
- Review information about available services
- Enter into discussions with other software customers
- Research and register for software training

Most of the support areas require that you register as an HP Passport user and sign in. Many areas also require a support contract.

To find more information about access levels, go to:

**[http://h20230.www2.hp.com/new\\_access\\_levels.jsp](http://h20230.www2.hp.com/new_access_levels.jsp)**

To register for an HP Passport ID, go to:

**<http://h20229.www2.hp.com/passport-registration.html>**
